

NEOSYDNEY + NEOTOKYO

**YOU ARE INVITED TO ATTEND THE EXHIBITION LAUNCH* OF
NEOSYDNEY + NEOTOKYO ON WEDNESDAY 4 JUNE, 6.30PM**

The fourth installment of the **Facetnate!** series -
A New Visual Artists Project presented by the Japan Foundation, Sydney.

Based on the emergence of pop street photography, *NEOSYDNEY + NEOTOKYO* is an exhibition featuring juxtaposed photos of Sydney and Tokyo as a narrative of the life and heart of the two cities. Despite their polar differences, Sydney and Tokyo are both filled with pockets of intimate spaces and subtle nuances, often missed and sometimes captured in a hundredth of a second. Presented in illuminated light boxes, this exhibition is inspired by the neon lights and urbanscape of Tokyo along with Hiromix and Japanese pop culture.

RSVP your attendance to the Japan Foundation on 8239 0055
or email reception@jpf.org.au by Tuesday 3rd of June.
